Custom Submittal Form

We thrive on creative conversations and love to be challenged, this combined with our intimate knowledge of colour, printing and weaving allows us to tackle almost any customisation project. With simple instruction on colour we can adapt the palette of a design to match any interior scheme.

Colours

We can easily alter the colours of our prints to adapt them for a particular scheme. We require guidance on colour from any source, such as fabric cutting, pantone or paint swatch references.

Base Qualities

We can alter the composition of our fabrics to make them more suitable for a given use. Whether we are printing onto a more durable ground for upholstery, Trevira or vinyl for flame retardancy, polyester for outdoor use, we apply the same care and attention.
